COMPANY PROFILE

Topclass Building Material LLC (TOPCO) is a modern enterprise engaging in household decorative materials. It has set up wholly-owned company in United Arab Emirates.
Since its inception in 1981 Topclass has established corporate image with business philosophy ``Integrity & effort`` and has developed an international brand with operation policy ``Excellent products, Perfect service``. Majority of our products are imported from Europe and we have also suppliers from India and Far Eastern Countries.
Our products cover hundreds of varieties, such as ceramic tiles, mosaics for swimming pool, wall tiles, floor tiles, bathroom, kitchen wares have fully met the requirements of building decorative materials.
It has become “Best choice of residence and confidence” by providing integrated solutions for product consumptions. Our Products has been positioned to medium and high-grade household decorative building materials with excellent quality and stable supply capacity.
Our products have been used in large scale in many classic projects such as five-star hotels, commercial buildings, luxurious villas, apartments located in United Arab Emirates.
Meticulously devoting itself to provide immense customers valuable products and integrated matching services, and exerting every efforts to make users to experience the perfect feeling are entrepreneurial spirit.

- Design is Quality
- Deliver standard products
- Offer our customers competitive prices
- We have experiences weapons.
- Fully utilize our production capacity
- Responsible towards the nature and the society
